# JLD Writes

*Creatively bringing your words to life!*

## Freelance Commercial Writing Services

*with Graphic Design Option*

**You can seize new opportunities in 2009**

**Do you have a message or story to tell?**

**Does your company have products or services to sell?**

**Do you have newsletters, presentations or reports that need to gel?**

**Words & graphics are key to your image, integrity and success:**

**Let's brainstorm how my creativity and reliability can ease the load—**

**I am committed to pulling it all together for you,**

**to increase productivity and marketability.**

**Partnership to enhance your vision for your target audience.**

**You will discover:**

**fresh ideas — marketing potential — workload relief**

**creative direction — professional collaboration without high cost**
